

Gatorlympics FAQ'S

What is Gatorlympics

Gatorlympics is our big 2024 fundraiser with the help of Boosterthon and some great prizes from Dude Perfect. We are striving to raise \$35k.

When does all this start?

9/19 was our kickoff, and registration/donations ended 10/4. We will announce TOP FUNDRAISING CLASS, GRADE LEVEL MEDAL WINNERS, & TOP FUNDRAISING FAMILY after the event.

What is the Big Celebration Event?

Instead of a fun run, we decided to create an "olympic" school yard full of fun and athleticism. We are challenging our Gators to 40 minutes of fun/physical activity at our many sports stations.

What are we raising money for?

We are looking to enhance our outdoor space for students to enjoy during recess as well as during PE. We are looking to add some shade trees, more benches on campus, some shade for the bike racks, additional fence cups to show our school spirit, add to our lovely pollinator garden, and more to beautify our school. Plus, we intend to significantly increase funds into every classroom, continue to support our students' curriculums with AR, and create fun community events such as Fall Fest, Science Night, a Silent Auction, and more. We are making a conscious effort to put the money raised from this fundraiser into use this year.

Do the kids get prizes for this fundraiser?

Boosterthon has partnered with Dude Perfect to provide some great prizes to encourage our students to be active and have fun. Prizes start coming home 9/20. Prizes for higher fundraising dollars will be delivered to the school after the fundraiser has ended. As of 10/7, all prizes have been distributed
